

Frank Newsome Jr
Youth Pastor
Kerwin Baptist Church
8/12/24

To whom it may concern:

My name is Frank Newsome, I have been the youth pastor at Kerwin Baptist Church, in Kernersville NC, since February of 2016.

I have known William Weimer and his family for a long time. In the summer of 2022, I had the privilege to work alongside William, in our ministry at Kerwin, when he served here as our summer intern. William served in several different ministries during that summer, he worked alongside me serving in our student ministries. Some of the responsibilities he had was teaching, and preaching on several different occasions, going, and serving as a chaperone on our summer youth conferences, and youth camps, helping with set up and tear down of our youth ministry meeting space on a weekly basis. William also served in our children's ministry, as well as several of our other ministries.

I honestly can't say enough good things about William. William is a dedicated, and a hard worker, who is very self-driven. William always exceeded expectations and is just a true joy to be around. I could go on and on about examples of William and his attention to detail, and quality, or his hard-working mentality, but I think the most impressive thing about William Weimer is his character, and his love for Jesus and people. William consistently challenged me to be a better Christian, and I will forever be thankful for the summer I got to serve the Lord alongside him. My only regret is that the summer didn't last longer!

Sincerely,

Frank Newsome Jr
